CRISIS PRINT

Le Dernier Cri

(Marseille, France)

Print editions: 1993 to present.

Pakito Bolino

"Evil Axe" 5 color screen print on heavy weight paper
70cm x 100cm

LE DERNIER CRI is led by PAKITO BOLINO, key EU underground artist & publisher.

They produce a range of work in Serigraphy and Off-offset. Their works are collected in major international collections, and they could be described as a benchmark in the establishment of a particular form of visceral, problematic book making, influencing an 'outsider revolution'.

However their work is rarely seen here, & this will be the third exhibition of their works in Australia. Perspectives on both the general crises facing humanity, but also very peculiar obsessions and a nightmarish sense of humour are presented by artists they reproduce in print.
